

I speak more than 80 languages fluently.

I have conducted more than 250 anti-infective studies.

I can be in 50 different countries at one time.

**CONFIDENTIAL**  
FOR YOUR EYES ONLY!

I have performed anti-infective studies involving more than 315,000 patients.

I am the most experienced pharmaceutical services partner in the world.

Who am I?

When the mask is removed, you will see the eyes of the person who is wearing it.

You are cordially invited to  
join Quinlan for an evening of  
**International Intrigue and Fine Cuisine**
